30 Day Prayer Guide

Volume I

Dear Friends of Missions,

Thank you for your interest in praying for young adult - college students. Covid-19 has caused a lot of disruption in the world. One of the places it is being felt the strongest, is among young adults. The dream of a four-year college education, along with an on-campus experience just is not going to happen. This Fall most schools have eliminated in class instruction. Students will be studying from home. The future for these young adults is uncertain. It is basically impossible to make plans. For a generation that thrives on in-person contact and fellowship; social distancing and mask wearing has really put a cramp into their social lives.

We are hoping that as students and young adults in general, feel the cramp of Covid-19, that they will reach out to God. We know that the Holy Spirit was sent into the world to convict us of “sin, righteousness and judgment.” Let’s pray that college students will respond to the tugging of the Holy Spirit.

This document, that is before you, is a 30 day prayer guide. The idea and concept of this prayer guide is to provide you with one school per day, for which you can pray. There are statistics and information provided on each school to help guide you in prayer. We have provided a list of the known Christian groups for each campus. When available we have tried to provide names of individuals who are either advisors for these groups or student leaders.

You will notice that there is suggested prayer requests for each school. We are not expecting each person to pray each request for every school. Allow the Holy Spirit to guide you as you pray. There is one exception to this general rule, that is, we would like to ask you to pray that God would raise up laborers for each school. This is something that Jesus asked

us to pray, Luke 10.2. We want to honor that prayer request. Let me mention one other point as touching prayer. The third item on the prayer list is a concern for the student’s stress levels. Many young adults are feeling considerable amounts of stress. Click [here](#) for an article to help understand what they are facing.

Young adults are facing the same struggles as many other Americans, work, finances, future plans, lock-down, etc. Beyond that pray for this generation as they feel lonely, isolated and anxious. If you know a young adult make sure you go out of your way to make them feel loved. Let them know that you care for their well-being. Have an open ear to listen to their complaints and insecurities. We all need to feel accepted, liked and not isolated.

We hope to produce a 30-day or 31-day prayer guide for each new month, until each school is covered. We are going through the Pennsylvania Department of Higher Education’s list of schools. This is our bases for whether or not a school will eventually make the list. There is also a daily [blog](#) which features a school as well.

Thank You again for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder.

Be Blessed,
Joe and Heidi Barrale

“DCAD Transitions to Online Course Delivery for Remainder of Spring, 2020 Semester

We have made the difficult, but prudent, decision to transition all DCAD classes to online delivery for the remainder of the spring semester. Dean Katy Ro, Assistant Dean Krista Rothwell and Registrar Hailey McCracken will be working with faculty and students to enable this shift. Please bear with us as many decisions and accommodations will need to be worked out. We are working as fast as possible to ensure the best outcome for all.”

Covid-19 Update:

“In addition to the 11 residence halls on the Pittsburgh campus, student housing has been expanded to include three hotels to reduce density within buildings and the risk of COVID-19 transmission....

All three hotels are within a 15-minute walk of the Cathedral of Learning, comparable to many other residence halls including Forbes, Lothrop and Sutherland halls. Each hotel operates in the same way as campus housing, with 24-hour security as well as Resident Assistant and Resident Director staff to provide supervision and support.”
