

PennDel Ministry Network

31 Day Prayer Guide

Volume II

Dear Friends of Student Ministry,

Welcome to the second volume of the Penn-Del Ministry Network Chi Alpha Monthly Prayer Guide. Volume I carried us through the state of Delaware, as well as all the schools in the district with active Chi Alpha ministries. We rounded out last month's volume with an alphabetic look at some of the community colleges in PA. For this month's prayer guide we will start out with the Historically Black Colleges and Universities in PA. (Note that Delaware State University is also HBCU. We covered it last month.) Next, we will move on to the University of Pittsburgh system and then onto the Penn State system. That will carry us through October. Next month we will start with the University System of the State of PA.

It is our desire to see as many people as possible praying on a regular basis for the colleges and universities in our district. We are convinced, as I know you are, that God still answers prayer. Chi Alpha is believing for the next student awakening to take place in our generation. We are anticipating a mighty move of God among the young adult student population. We also understand that when that happens, not only will the academy be radically changed, but society and church life will be altered. Let's all be ready for what God is about to do.

Jesus said in Luke 10.2 *"The harvest is plentiful, but the laborers are few; therefore beseech the Lord of the harvest to send out laborers into His harvest."* This is one of the main focuses of the prayer guide. We are asking each person to pray that God would send more laborers to college and university campuses. We have seen a tremendous increase since 2015 in the number of laborers in Chi Alpha. Since 2015 affiliated Chi Alpha workers have increase by 97%, that is almost doubling the number of affiliated workers! Campus Crusade for Christ (renamed "Cru") and InterVarsity have also seen an increase in campus laborers. This is a great indication that God is moving.

He is preparing us for a harvest. I hope you are ready.

An "event" that I want to remind you of is the 10.2 call to prayer. On October 2nd (10.2) Chi Alpha is inviting everyone to pause, at 10:02 AM to pray for students. No, there is nothing special or "magical" about the numbers. We are calling people to pray at the same time, for the same purpose. This "device" gives us that perfect opportunity. We hope you will join. Also, many students and student leaders have set their phones for 10:02 every day, as a reminder to prayer for more laborers. You can find promo material [here](#).

As for this current prayer guide; the format has stayed the same as last month. We added new prayer requests. And as always, allow your prayers to be guided by the Holy Spirit.

Thank You again for investing time into this next generation. Only eternity will tell what we helped set in motion by our faithful prayer investment.

Be Blessed,
Joe and Heidi Barrale
