## **30 Day Prayer Guide**

**Volume IV**

Dear Friends of Missions,

Thank you for being part of this prayer initiative. Thank you for taking Jesus' request, that we should ask the Lord of the harvest for more workers, seriously. The field is ripe unto harvest. The university and college campuses need gospel workers and your prayers help make that happen.

The document you are reading is volume four in a five-volume prayer guide for the Southern New England (SNE) states of Connecticut, Rhode Island and Massachusetts. These prayer guides are meant to be a tool to help you pray more specifically for every school of higher education in SNE. It is our intention to provide every Assembly of God church the opportunity to pray for college students, staff and faculty.

We are praying for a move of God to shake our campuses, the likes of which we have not seen in our generation. We are believing for an out pouring of the Holy Spirit to grip the lives of men and women, young and old. Please believe with us as we move forward.

Once again, as in the other prayer guides, you will find statistics for each school. Just a little information to make your prayers more precise. Also, in this prayer guide you will find information on the known Christian groups on campus. When possible, I have supplied the names of the individuals who are leading those groups.

Some schools do not show student leader's names. When that happens, we have looked for the group's faculty advisor. That name appears and is so marked. Often, we could not find a contact person at all. When that happened, we inserted a question mark.

As the summer begins to wind down student groups all across the nation are making plans for their semester start-up. Many student groups will return to campus early for leadership training and strategic prayer initiatives of their own. Please pray for them as they strive to hear the voice of the Spirit for their particular campus.

Many schools have chaplains or spiritual life offices. Please pray for these men and women, that they too will be sensitive to the leading of the Holy Spirit. The Holy Spirit is not bound by denominations or back grounds. He is able to reach into the seeking heart.

Pray for the students who live in student housing. We have listed the schools which provide on campus housing. A lot of really crazy stuff happens in dorms, especially co-ed dorms!

Finally, we wanted to let you know that this prayer guide was compiled with data from the National Center for Education Statistics ([NCES](#)) as well as each school's individual website.

Once again, we have included a section on international students. We are using the [College Factual](#) website for all pertinent data.

Thank You again for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder.

Be Blessed,  
Joe and Heidi Barrale
