31 Day Prayer Guide

Volume I

Dear Friends of Missions,

Thank you for your interest in praying for young adult - college students. Covid-19 has caused a lot of disruption in the world. One of the places it is being felt the strongest, is among young adults. The dream of a four-year college education, along with an on-campus experience just is not going to happen. This Fall most schools have eliminated in class instruction. Students will be studying from home. The future for these young adults is uncertain. It is basically impossible to make plans. For a generation that thrives on in-person contact and fellowship; social distancing and mask wearing has really put a cramp into their social lives.

We are hoping that as students and young adults in general, feel the cramp of Covid-19, that they will reach out to God. We know that the Holy Spirit was sent into the world to convict us of “sin, righteousness and judgment.” Let’s pray that college students will respond to the tugging of the Holy Spirit.

This document, that is before you, is a 31 day prayer guide. The idea and concept of this prayer guide is to provide you with one school per day, for which you can pray. There are statistics and information provided on each school to help guide you in prayer. We have provided a list of the known Christian groups for each campus. When available we have tried to provide names of individuals who are either advisors for these groups or student leaders.

You will notice that there is suggested prayer requests for each school. We are not expecting each person to pray each request for every school. Allow the Holy Spirit to guide you as you pray. There is one exception to this general rule, that is, we would like to ask you to pray that God would raise up laborers for each school. This is something that Jesus

asked us to pray, Luke 10.2. We want to honor that prayer request. Let me mention one other point as touching prayer. The third item on the prayer list is a concern for the student’s stress levels. Many young adults are feeling considerable amounts of stress. Click [here](#) for an article to help understand what they are facing.

On October 2nd (10.2) Chi Alpha is inviting everyone to pause, at 10:02 AM to pray for students. We hope you will join. You can find promo material [here](#).

Young adults are facing the same struggles as many other Americans, work, finances, future plans, lockdown, etc. Beyond that pray for this generation as they feel lonely, isolated and anxious. If you know a young adult make sure you go out of your way to make them feel loved. Let them know that you care for their well-being. Have an open ear to listen to their complaints and insecurities. We all need to feel accepted, liked and not isolated.

We are currently planning on producing another prayer guide that will finish out all the colleges and universities listed on the New Jersey Department of Higher Education’s list of schools. This is our bases for whether or not a school will eventually make the list.

Thank You again for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder.

Be Blessed,
Joe and Heidi Barrale

Covid-19 Update:

What's our status?

New Jersey is in Stage 2 of the reopening. We are currently running a very limited number of on-campus labs for certain Health Sciences courses to catch up on course work that could not be completed remotely.

What's next?

If New Jersey remains in Stage 2 at the start of the fall semester, most classes scheduled for on-campus will meet online ([Online Live course format](#)).

Covid-19 Update:

This fall, Rutgers University–Camden is providing a majority of remotely delivered courses with a limited number of in-person classes. Offices and units that directly serve students are providing some level of in-person services; all Rutgers–Camden academic and administrative units are open and continuing to provide their services through remote and/or in-person delivery. At all times, our top priority is to safeguard the health of our campus community, and we will adapt our plans as needed based on federal, state, and university guidelines.

Covid-19 Update:

Bloomfield College intends to open with a phased approach to begin preparing for the start of our fall semester on August 31. If the state is in Stage 3 of the Restart Standards for all New Jersey Institutions of Higher Education, the College intends to open the campus for in-person, face-to-face instruction with social distancing measures and enhanced hybrid and online course offerings. If the state remains in Stage 2 or must return to Stage 2 at some point during the start of the semester, we will move all instruction to online with the exception of certain laboratory, clinical rotations, technical and hands-on experiences that are eligible for a waiver. Specific accommodations for Veteran students and international students will comply with current federal regulations and guidelines.

Accordingly, we will continue to operate primarily remotely in Fall 2020, offering a full range of online, remote-live, and hybrid classes. Brookdale’s online and remote instruction has a very strong reputation, largely due to our exceptional faculty and staff, as well as the support of our stellar Teaching & Learning Center. When you view your schedule online in WebAdvisor (or search for classes if you have not yet registered), the specific type of course, and meeting day/time requirements are listed in the “Meeting Information” column...”

Covid-19 Update:

Fall 2020 Remote Courses

TCNJ's plan for fall-semester instruction entails fully remote learning for all students. Students registered for nursing clinicals will hear from their schools regarding any necessary in-person course components.

Remote courses will offer real-time (synchronous) and self-paced (asynchronous) learning, with the balance of these instructional modes varying by field, course, and faculty member. The overall fall schedule will not be changing dramatically, so students should expect to be present and engaged in their courses during the normally scheduled day and time blocks.

Felician University is reopening for the Fall semester as scheduled! In compliance with New Jersey Governor Murphy’s August 12, Executive Order # 175, Felician will reopen this Fall semester as defined in our Return to Campus Plan; Residence Halls, Dining Halls, libraries and gathering spaces will be available to all members of the community while observing the necessary State mandated protocols of social distancing and wearing of face masks at all times. We are pleased the State positivity levels of COVID-19 have decreased significantly making this possible. I am confident our community will return Felician Strong, and ready to do all that we can for the safety of one another in the coming weeks.
