

Peninsular Florida District Council of the A.G. 14 Day Prayer Guide

Volume IV

Dear Friends of Chi Alpha,

You have before you Prayer Guide Volume IV, the last prayer guide for the Peninsular Florida District Council of the A.G. (PenFL). The purpose of these prayer guides has not changed. We want to put into as many hands as possible, tools to encourage and equip people to pray for colleges and universities across PenFL. Ultimately, it is our intention to provide every Assembly of God church in the USA, district by district, the opportunity and tools to pray for college students, staff and faculty.

We are asking you to join us in praying for God to send laborers on to the mission field of college and university campuses. According to Luke 10.2 Jesus said *“The harvest is plentiful, but the laborers are few; therefore plead with the Lord of the harvest to send out laborers into His harvest.”* Will you plead with us?

Once again, in these prayer guides, you will find statistics for each school in PenFL with a student population of over 300. The list is in alphabetical order and based on the information from the National Center for Education Statistics ([NCES](#)). We tried to provide you with enough information to make your prayers more precise, but not overwhelming. For example, each prayer guide has information on the known Christian groups on campus. When possible, we have supplied the names of the individual students who are listed as the “first contact” of each group.

Some schools do not show student leader’s names. When that happens, we have looked for the group’s faculty advisor. That name appears and is so marked. Often, we could not find a contact person at all. When that happened, we inserted a question mark.

Many schools have chaplains or spiritual life offices. Please pray for these men and women, that they too will be sensitive to the leading

of the Holy Spirit. He is able to reach into the seeking heart, regardless of denominational affiliation or background.

Please remember to pray for the students who live in student housing. You will notice that each school listed below will have a spot to show whether they have student housing or not. A lot of really crazy stuff happens in dorms, especially co-ed dorms!

There is a section on each page titled prayer requests. Please understand this as springboard to prayer. Allow the Holy Spirit to lead you beyond what has been recommended.

We have included a section on international students. We are using the [College Factual](#) website for all pertinent data. The international student information is under the “student Life” tab at this website.

Finally, in addition to the data supplied from the National Center for Education Statistics ([NCES](#)), we have also accessed each school’s individual website. And, as mentioned earlier, we only included schools with a student population of over 300. But, each school listed does grant at least a 2yr Associate’s degree.

Thank you in advance, for investing time into this next generation. Only eternity will tell what we helped along and what we were able to hinder through our prayers.

Be Blessed,

Joe and Heidi Barrale
